

GUILTY PLEASURES

Get Ready to Party Like It's 1985 🎸

Hey hey hey, music lovers—break out the leg warmers and tease that hair, because **Guilty Pleasures** is about to take you on a totally radical ride through the fiercest women of 80s rock.

This five-piece powerhouse band pays high-octane tribute to the goddesses who defined the decade, covering iconic hits from **Blondie, Pat Benatar, The Pretenders, Joan Jett, and Stevie Nicks**—and delivering them with attitude, precision, and serious star power.

Their live shows are *gnarly* in all the best ways: tight musicianship, electric stage presence, and nonstop dance-floor energy. Every song is a sing-along, every set a throwback you forgot how much you loved.

But **Guilty Pleasures** isn't just a band—it's an experience. Expect full-on 80s fashion from wigs to boots, big energy, and a vibe that drops you right into the most gloriously over-the-top decade in music history.

So come out, cut loose, and relive the ultimate good-time era.
